## ECO CLUB MISSION FOR MISSION LIFE DAY: CELEBRATING DAY 6 OF SHIKHA SAPTA

In compliance with the CBSE, Rayburn High School's Eco Club for Mission embarked on a 'Plant 4 Mother Campaign' on the 6th day of SHIKSHA SAPTAH on 27th July, 2024 at the school campus from 7:00 am onwards. Through this campaign, the school aimed to raise awareness about the importance of trees, initiated to inspire individuals and communities to take action in planting trees and safeguarding the environment.

### EVENT HIGHLIGHTS:

On the day of the campaign, teachers were assigned various duties and responsibilities, to assist students along with their mothers to their designated seats and handed out the sapling to each of the duo. Then Ma'am VK (Muse Odyssey Coordinator) hosted the event by greeting the attendees and highlighted the order of the event.

An overview and highlight of the club was presented by Miss RN (Mosaic Club Coordinator) elucidating the aims, objectives and targets of the campaign. which was followed by Sir RB, HOD, Senior Secondary Department introducing the club leader, in-charge teacher, club president and club members.

Then Sir PM, Vice Principal, Rayburn High School applauded the club for organising the inventive campaign. He also addressed his concerns for the environmental issues our generation is facing. He further encouraged students and mothers to plant more trees and take ownership of these, to nurture them, and watch them grow.

Lastly, to execute the plantation drive all the attendees headed out the campus to the planting spot. The plantation was carried out at the periphery of the school. More than 40 saplings were planted by the students along with their mothers at different spot.

After all the activities, a delightful refreshment was enjoyed by the students, parents and teachers.

### CONCLUSION:

The campaign was a call to action for individuals and communities to join hands in reforesting our planet for a sustainable and a greener future. By engaging in this plantation, students fostered essential skills, values and knowledge, shaping them into responsible environmentally conscious citizens.
