

PRE-PRIMARY BAGLESS DAY ACTIVITY

Name of the Activity: Arts and craft (Peacock)

Activity Type: Indoor

Duration: 1 hour

Skills to be Developed:

- Fine motor skills
- Hand-eye coordination
- Shape recognition and following instructions.

Learning Outcome:

1. Students recognized the peacock as the national bird of India
2. Students created a peacock using paper by following instructions and using basic craft skills like cutting, folding and pasting
3. Students applied creativity and recognized basic shapes while decorating their peacock.

Materials Required:

1. Scissors
2. Chart paper (blue, green, black and orange)
3. Glue.
4. Pencil.

Instruction for teacher:

1. Explain the significance of the peacock and its status as the national bird of India.
2. Demonstrate step-by-step how to fold, cut, and paste paper to form the peacock.
3. Show how to arrange the feathers and decorate them neatly

Instruction for students:

1. Follow the teacher's instruction for folding, cutting, and pasting.
2. Complete the peacock neatly using the given materials.

Methodology:

1. Brief discussion about the peacock and its feathers.
2. Show pictures of a peacock for reference.
3. Step-by-step craft demonstration by the teacher.

4. Students follow along to make their own peacock.
5. Take home the complete peacock.

Assessment:

1. Neatness and finishing.
2. Ability to follow instructions.
3. Recognition of the peacock as the national bird.

Career opportunities:

1. Artist
2. Designer.
3. Craft instructor.
